## Experience

01.05.2020 - 30.04.2021 "Green Player - At Your Service" Łukasz Andruszkiewicz

- self-employment.
- all attempts to save my life and health during a global pandemic - because of human injustice, greed, envy, lies and hypocrisy: what I experienced in this very sick and spoiled Polish State from the age of 18.
- in free time learning "Python" programming and everything else - what is with closely related to this: for me it is like a medicine and a dressing, that has healing properties all the traumas which I have experienced. Learning "Python" programming have for me a preventive effect on recurring enough often post-traumatic stress disorder PTSD.
- I wanted to avoid digging up all these traumas: but people wouldn't let me, or even help me with it, but actually forced me - to use it all in the fight for justice against the guilty people. Even though it is painful for me and harmful to my health.

09.2018 - 02.2019 "Mr Greentec" Łukasz Andruszkiewicz

- self-employment.
- scaffoldings montage in Germany and other technical works in Poland.
